

ReTreat Pod Survey Results

We surveyed support teachers who have purchased ReTreat Pods in their school and we thank everyone who completed the ReTreat Pod survey. 2PS is working with sound engineers to keep refining these as per helpful suggestions below.

2PS in conjunction with Associated Plastics have fabricated 160 ReTreat Pods in 42 schools in Tasmania

100% of responders reported that student class engagement is generally good after use of a ReTreat Pod

Sensory Respite is the primary reason for ReTreat pod Usage

- Improvement Suggestions
- Effective ways to bolt RTP to the wall and better movability
 - DIY options for students to individualise tools
 - Wider ranges of sizes
 - Customisable colours
 - Easier cover fittings
 - Better cleaning instructions
